The following library resources are available for use on school computers or from any Internet-enabled device. Go to the county schools web site at www.hardemancountyschools.org. Click on the Schools tab at the left. Choose Bolivar Central High School, then Library. Choose Library Collection to access library books. Username and Password are both the Student ID number on your school ID. Choose Research Links to access databases of digital books, magazine and newspaper articles. Select database from the links listed on the page.

You may also use the URL’s listed with each database. If login or password information is required, check below for necessary information for each database. You can also access most of the resources below as well as ACT prep materials and study aids through the Tennessee Electronic Library at www.tntel.tnsos.org. Password: elvis.

1. **Infotrac - Newspapers, Magazines, and Reference Books.**
   - Password: elvis.
   - Use Find/Search at top of page to locate information on your topic from selected sources or choose the database that best suits your needs. If you are specifically looking for information on a writer or for literary criticism, use the Twayne Authors Online, Scribner Writers Online, or Literature Resources. You may also limit your search results by date, source type, or publication. Articles may be printed or emailed.

2. **CQ Researcher Online:** Current and back issues of the CQ Researcher covering topics that have any connection to the US government.
   - http://library.cqress.com
   - Username: Bolivar
   - Password is Tigers.
   - Enter your topic in Search; then select the title of an article from the list. Note date of articles. In order to cite information from this source, check the How to Cite item on the menu at the left of your screen or Cite Now button at top of article page. **Caution:** If you wish to print the article, use Print Preview from File menu to avoid printing the 20-30 page issue in its entirety. You may also email sections or entire article.

3. **World Book Online:** Online version of the World Book is the most recently updated encyclopedia source in the library.
   - [http://worldbookonline.com/advanced/home](http://worldbookonline.com/advanced/home)
   - Username: elvis
   - Password: elvis.
   - Use this source also for fiction and nonfiction ebooks, primary sources, news articles, and more. Includes research tools and citation builder.

4. **Opposing Viewpoints in Context:** Gale product offers resources on a variety of controversial and debatable topics.
   - Username: elvis
   - Password: elvis.
   - Browse topics listed, or perform a keyword search. In addition to the essays on topics ranging from abortion to zero tolerance, there are magazine articles, newspaper articles, primary sources, and recommended websites organized by resource type. Results can be printed, emailed, or downloaded. Each resource has citation information available in both MLA and APA formats.

5. **Gale’s Biography in Context:** Award-winning biographies with related full-text articles from hundreds of magazine and newspapers, as well as images and links to vetted websites. Search for people – both current and historic from all eras and fields of endeavor. Search for name, occupation, nationality, ethnicity, birth/death dates and places, or gender, as well as keyword. Most articles are full text.
