**** During Spring of 8th Grade Year, students and parents should arrange a conference with Guidance Department to complete a 4 year educational track plan.**

** Beginning Band / Band is an optional course that does not affect other exploratory courses. It is important to note that students must enroll in the beginning band program during the 6th grade year to be eligible for 2nd / 3rd year band classes as 7th /8th graders. Students not enrolled in band will be enrolled in an advisory class.

** Bolivar Middle School offers Resource Classes in Language Arts & Math for students with IEPs (Individual Education Plans).

** Bolivar Middle School offers a Comprehensive Development Classes for students who meet Department of Education guidelines for enrollment in those classes.
