BCHS HOSA Celebrates National HOSA Week

D.E.C.A. students from Middleton High School recently competed in state competitive events in Franklin, Tennessee. Ben Bishop represented Middleton High School at the DECA International Career Development Conference in Orlando from April 28 through May 2. Ben competed in the Principles of Business Management and Administration event. Middleton High School was also recognized for achieving DECA Diamond Level for the second consecutive year. This award is the highest honor given to a DECA chapter and M.H.S. was one of only 14 in Tennessee to reach Diamond Level.
